

The Red Road

“Living the Spiritual Way of Life”

Our primary purpose is to stay sober and help other alcoholics to achieve sobriety. A sober man's desire to carry the AA message to help Native Americans stop drinking and get sober was the vision of Gil H. With the assistance of Native and Non-Native AA and Al-Anon members, The NMIAAC-Red Road began its journey.

Better known today as The Red Road AA Convention. The Red Road through the years has experienced its own growing pains. As long as the committee continues to follow AA Principles, The Red Road AA Convention will grant its attendees the ability to share their Experience, Strength, and Hope

Recovery, Unity and Service: Join us as we trudge the Red Road of Happy Destiny.
